WELCOME TO

Let Proactive Clothing help build your brand's unique look and ethos. Our latest catalogue is filled with new and exciting, high-quality garments suited to your industry's needs. Here are a few reasons why you should be choosing Proactive:

POWERFUL FIRST IMPRESSIONS

As walking adverts and ambassadors for your brand and company, how your staff look forms a critical part in your customer's experience in dealing with them. A unified look for your staff creates the best first impression.

Ensure that your employees and brand look fresh and on-point by using our LEADING BRANDS which offer superior quality and durability. Create a sense of unity and appreciation in your workforce by offering comfortable uniforms that they enjoy wearing.

SHOWCASE YOUR BRAND

With a multitude of products to choose from in a variety of different fabrics and colour combinations, you have complete freedom to tailor your own unique uniform suited to your specific needs. Get your brand out there to your customers by incorporating it into your corporate uniform program through embroidery, laser etching or screen-printing, allowing your staff to wear your brand with pride!

STORYBOARDS AND VISUAL AIDS

Do you have a great idea and need help in displaying and presenting a uniform or promotional concept? Speak to your distributor about storyboards and other visual aids that Proactive Clothing can generate for you in order for you to showcase your idea.

Proactive[®]

LEADING BRANDS

At Proactive Clothing, we're all about offering LEADING BRANDS.

We're excited to announce that this year, we're introducing some of the leading brands in teamwear, rugbywear, swimwear and outdoor gear! These items have been carefully selected so that you can co-brand your logo alongside these leading brands.

Born and raised in Portland, Oregon, Columbia Sportswear Company has been making gear for more than 70 years so you can enjoy the outdoors for longer. Columbia is committed to designing innovative and functional products for consumers who participate in a wide range of outdoor activities, enabling them to pursue their passions longer and in greater comfort by keeping them warm or cool, dry and protected. Quality and durability are important aspects of this, and Columbia has vigorous material and product quality testing standards in place to ensure that the products are made to last. This helps to extend the life of the garments.

For over 89 years, Speedo has been inspiring swimmers with innovative technology and style that stays ahead of the game. Since its inception in 1928, the brand has elevated in stature and popularity becoming the leader in swimming gear internationally, and the first choice for many Olympic medalists. The Proactive Speedo range has been carefully selected for swim teamwear which can be co-branded for schools, universities, swimming teams and clubs.

PRODUCT ICONS EXPLAINED

A superior quality dyeing process ensures brighter colours and prevents fibers from weakening during the printing process

Garments require little or no ironing and are often crease resistant

The garment contains breathable moisture management fabric which wicks perspiration from the skin to the outer surface and dries quickly through evaporation

The garment contains fluorescent colours and/or reflective tape to increase visibility

A process where the shorter cotton fibres are discarded and impurities removed, making the yarn stronger, smoother, softer and more compact

Fabric offers multi-dimensional stretch allowing flexibility and a more tailored fit

Fabric has water resistant properties

Fabric has wind resistant properties

Product offers superior resistance to fading
